The Weazel jumps from the car with the gems and goes to Dick and Arline, who have leapt from the auto to safety. They 'phone Graham, telling him they're returning with the pearls. Graham obtains a postponement of the hearing to enable him to bring Arline in person to the referee.

Arline, Dick and the Weazel are seen and pursued by Despard and his gang. The girl is captured and taken to a cave, while the other two, chased by the gang, jump from a high cliff and return by a round-about route to the cave wherein Arline is held prisoner. In the ensuing fight, the Weazel is shot by ~~Despard~~ Despard, and Dick and Arline fall through a trap-door into a deep pit.
